<i>Agenda Items</i>	<i>Discussion</i>	<i>Action</i>
Member College Sub Award Agreements	Agreements sent- all received Kelly: contractual elements must be cleared to release funds Next fiscal element: Quarterly reports	Kelly needs signed awards back
ONC Update -Timeline -Curricula	CC part of conference was centered on curriculum Still waiting on curriculum from ONC 10 of the components can be expected 1 st week of August Aug 9-11 (unconfirmed) Faculty Training in Oregon ONC matrix maps roles to curriculum components ONC is open to changes on these components- you may send Suggestions as to which of the 10 components you prefer Can expect the following: Objectives, Voice-over PPT slide lectures, Exam questions, Some learning activities, Some lab exercises for selected curriculum components (not HER simulation), and an Instructor manual. Q: What is low end for certification? A: No floor, elements for program: tracking mechanism, assessment, certification, demonstrate high quality and best practices – is left up to the individual institutions. BC has been given approval to approve Region A curriculum Patricia emphasized the grads to filter through RECs to physicians practices as opposed to hospitals.	Michele will have by Wed next week a detailed curriculum, number of hours, how it is mapped to roles.
Collaborative Site	ONC presented collaborative site that can be partitioned will be online in 2-3 weeks. It will include: calendar, RSS feeds, WebEx for live mtgs, Wikis, and blogs.	BC will pass the link along once it launches
Region A Meeting at Bellevue	Mon 7 th : compliance, rapid consulting, seattle tour Tues 8 th : breakout fiscal/program mgrs, meet Pres and VP, e-learning presentation, wrap-up by 3pm.	Agenda for the conference will be sent next week
Member Updates	ND: interviewing for program director	

	UT: still looking to hire WA: list of internships/marketing 2mo course: EMR for Ambulatory Practice. CO: hired curriculum and asst., in touch with REC and HIE, working on marketing brochure, mapping BC curriculum to existing courses, subcontracted CCs moving slower due to restricted funds. ID: looking at 3 roles to train, faculty is checking on objectives to match to existing courses, networking with physicians, Greenway HER and local practices. OR: waiting for approved curriculum from BC MT: is training IT to HC and vice versa. Has certification for each group which is mapped to ONC roles. He is bringing Carlene Cassidy to the Bellevue conference.	
What Else?	RECs being approached by 3 rd parties looking to provide training.	Be proactive and ask your RECs if they are developing training. Patricia will give ONC (on June 3rd call) wording for RECs. She will report back on this.
Next Steps & Next Meeting
